CAR OF THE MONTH

Handled by Jerry Jensen

Purchased by my father in 1975. Preparing for retirement, he needed a project. He drove a similar truck when they were new as a delivery boy for a pharmacy ("Apothecary" back then) in Minot ND. Grew up hearing him occasionally say "prettiest Ford truck ever". I'm afraid I agree! Became a two year project. Decision made to retain hydraulic brakes and postwar engine already installed. Keeping later brakes meant keeping Kelsey Hayes wire wheels. Painted Washington Blue. Columbia installed be me in '90s to make more useable for driving to meets and such. Entered into "local"(within 200 miles or so) V8 club meets for the last 20 years in Touring class.
Steve Batesole

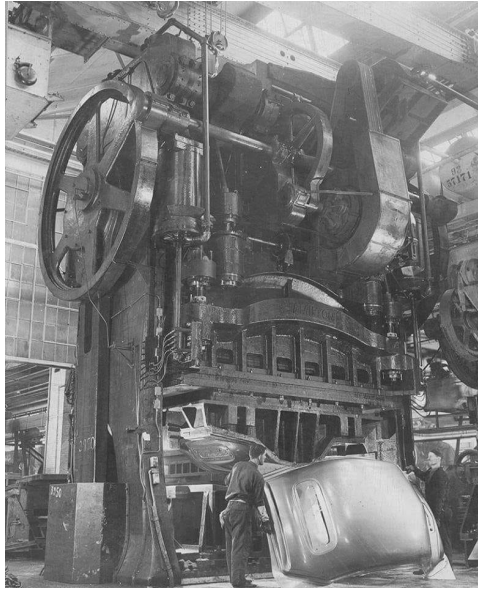

Program / Speaker

Joe DiFatta introduced Jim Diamond and our Program for the Evening. Jim grew up in Rock Island, Iowa, home of the first railroad bridge, built in 1952 across the Mississippi, to the Rock Island Arsenal and where Jim developed a fondness for Jeeps. Hence his presentation, the development of the "General Purpose" vehicle, from American Bantam to Willys and Ford. American Bantam's opportunity came when the U S Army gave it a contract to develop a new 1/4-ton four wheel drive "Utility" vehicle. Bantam's design laid the ground work for what would be forever known as the Jeep. However, due to Bantam's limited facilities and the production numbers needed, the U.S. Army gave the high-volume contracts to Willys-Overland and Ford. American Bantam found its place as a manufacturer of various types of trailers, to tag along with the Jeeps. See Blake Wilcox, if you want more on Jim's presentation.

Speaker

February 5th Program

This month we have as our program speaker Mr. Cliff Mickool, who is with the Barrett - Jackson Auction Group .
Cliff has spoken to use before, but always has more to add about his travels.
I am still amazed about how & when the auctioncars go on display... that perhaps 1800 hoods are opened & closed on each car
Make it a "New Years" resalution to add our Ford Club meetings
See you on the 5th of Feb

FROM THE EDITORS DESK

Hello Fellow V8'ers

Let Me start with sending Best Wishes & Get Well to Stan Miller, & Chuck Shubb

You may notice that this months newsletter has a little bit of a new look...
Well, I'm reverting back to My days in Graphic Design, & give OUR newsletter a little more style by adding "Headers" & Story breaks.

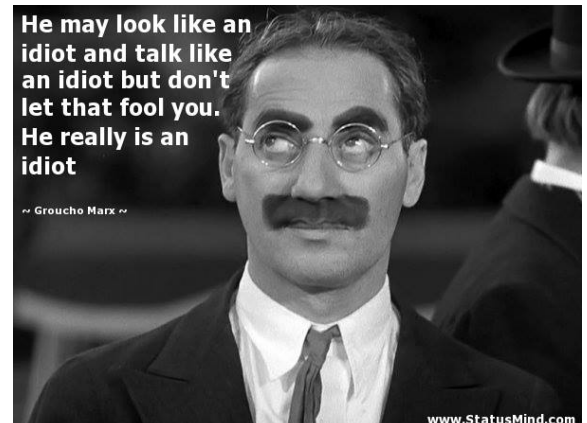

Also, I know some of the stories are shorter that usual, that will return normal in the near future
Please, drop Me a line, Let Me know what you think...

From The President

Well! My first meeting went along Ok! Unfortunately we had some sad news about our long time member Robert Zecher passing. For me it hit hard as I just lost my brother in law and aunt. I really enjoyed our speaker talking about the "Jeep"! It brought back some great memories working with my uncle, building one from a crate. I'm hoping to put together a board meeting before for our meeting in order to have some events as soon as possible. If you have any suggestions please contact my self or any of board members. See you all at the meeting.

CHAPTER 40 -- SAN FERNANDO VALLEY V-8'S CLUB

Monthly Meeting Minutes for Tuesday Jan. 8, 2019

Secretary Fill- in ...

At precisely 1900 hours, on January 8, 2019, President Ernie Baily bangs the gavel, at Rosie's BBQ & Grillery and the Valley V-8's ride into 2019, for another year of activities. Pres Ernie asks for an introduction of guests. Other than our guest speaker, who will be introduced later, there are none, this evening. Ernie next calls for the Pledge of Allegiance, led by John Wolf, in John Fredrick's absence.

On to announcements;

Pres got a call from past National President, Ed Warnock, asking Ernie to let us know that member Robert Zecher passed away. Memorial Service is scheduled for February 23rd^h, at 1500 hours, in Forrest Lawn, 1712 Glendale Ave, Glendale.

Joe DiFatta announced that Chuck Shubb fell and is in the hospital. ... He should be out by the time you read this. So, how-about giving Judy and Chuck a call, to see how he's doing and possibly pay a visit.

(As of 20 Jan, Chuck IS home)

Ken Sapper is in the planning stages of a tour to Justice Brother's Racing Museum, in Duarte. The Museum is closed on weekends, so Ken is looking at a Friday in March. Stay Tuned.

Vasken Hapogian, next took the podium to present Scott Doudrick with a certificate, for his service as Web Master in 2017 & 2018.

Officer Reports:

Treasurer & Membership: Joan Sapper says we finished the year in the black and are starting the new year with a positive checking account. Filling in for Oliver Calibet, Joanie says give her your dues. She will see that you are checked off Oliver's list.

Editor, Robert Glucksman asked all members to send him a paragraph about yourself and your car(s) A mug shot would also be appreciated, since he has yet to put many names with faces.

Secretary, hurt his back and it looks like he'll be spending some time in the prone position. Get well Rex! With no other New, or Old Business President Ernie called for the Break.

Following the break: Steve Batesole's '36 pickup was selected as car of the month. More on Steve's pickup will be available, once he sends his bios to the Editor.

Bobbie Searl presented Ladies' Prizes of Anthurium plants to Karen Lehman and Val Elenbrock, holding winning tickets. Name Badge drawing won by Robert Glucksman and 50/50 drawing, with a prize of \$58, went to Phil Goeschl.

Program for the Evening

Joe DiFatta introduced Jim Diamond and our Program for the Evening.

Following the Raffle, meeting adjourned at 2035 hours.

... Respectfully submitted

John Kemmerer
