CAR OF THE MONTH

Car of the Month: Went to Al Mooney with his '39 Coupe. The story is that over a year ago, past owner R. Muncy past away. Al and his son made Muncy's daughter an offer...they also got a T-Bird! They rebuilt the car, just cosmetically, as the engine was in good shape. There's more to be done. He says, "Thanks!"

Program / Speaker

PROGRAM: VP Jim Ellerbrock introduced our Speaker for tonight, Denny Todesco son of Tommy Todesco, of The Wrecking Crew band. Denny is close friends with Jim and Val. He began the program showing us a portion of a documentary made about The Wrecking Crew. Many very famous musicians shared their memories of the band. The Wrecking Crew was a professional band that numerous musicians would go to for recording their hits. Their own bands would go on the road for concerts, but were not able to actually do recording in studios.

Tommy died in 1997, and his son, Denny started working on this film. He was told by many that he couldn't do the film, but he kept going on it.

He had lots of footage from various interviews. What he needed was capital to keep project going. In 2014 they got some serious donations (some from Jim and Val!). The project was then finalized and distributed. Copies were available for sale and can be found on line as well. Hulu also has available.

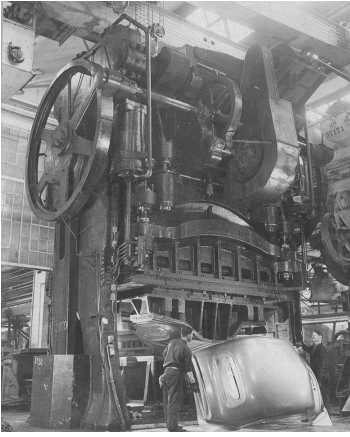

A few questions from club members. Here are his answers: No he does not own a Ford. Music of the '60's had to be more perfect than it does now. Today with use of computers and technology, corrections can be made.

We thank you Denny for your program tonight! It really was good to hear those great hits of the '60's - '90's. !!

Our program for the June meeting will be presented by Ralph Hubbard. Ralph is a past Early Ford V8 Club National President and a well known Certified Appraiser of Classic Automobiles. He will give us an update on the declining prices of our Early Ford V8 cars and what is happening in the collector car market worldwide. He will also tell us about an estate sale of a very large collection of over 100 vehicles, that include many of our Early Ford cars, that he has been assigned to sell for the family His talks have always been very informative and this should be another good one.....See you there.....

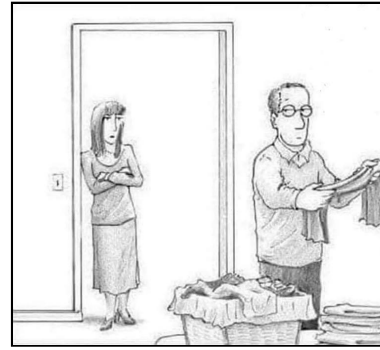

Larry Caplan

And now for some "Pressing" News

Apologies to Al Mooney, who's name was omitted from the directory. We are printing his name on a label to place in the directory

Thank You
Rob / DLE

Last night you did the dishes
Today you're folding laundry
How Much Did This Latest Car Cost?

FROM THE EDITORS DESK

Hi Valley V8'ers

This is a friend of mine, Tim, & He runs a special school. He's a really good Guy, & his students have a lot to offer.

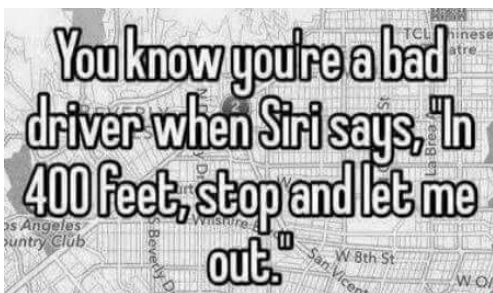

Part of what the school offers is Auto Detailing.....Check it out....Thanks, Rob / DLE

Miller Career and Transition Center is Vocational Training campus for LAUSD students with disabilities on the moderate to severe end of the spectrum. Our students did not graduate high school but are eligible for continued public education until age 22. Miller CTC focuses on teaching these students the soft skills associated with finding and maintaining a job after they leave school. We offer a variety of both classroom and community-based classes. We offer both an on campus and mobile auto detail program, landscaping/gardening, document shredding, bakery, textiles /jewelry production, and culinary arts programs. All of which offer services to the general public, giving our students an opportunity to practice the skills they are learning in a real work world environment. Anyone interested in learning more or inquiring about hiring our students can contact us at

From The President

Hello All!

Well! We had a great May meeting, we celebrated Mothers Day!(Hope the ladies liked the CupCakes that my Wife made, She has really gotten into Baking and Cake decorating) Also we have Memorial Day! I plan on attending the Studebaker Meet at La Palma Park with my brothers on May 26th (I've been helping my younger brother work on his 1956 Golden Hawk and his 1964 Grand Turismo GT Hawk) and I'm going to the Clunkers Car Club Memorial day car show at the Pierce Brothers Vahalla Memorial Park at 10621 Victory Blvd. North Hollywood on May 27th. it should be fun! Also remember that June is "The Drive your V8" month. So drive your V8 to our June meeting. Also remember Fathers Day is coming up, there are a lot of car shows to take your father too or just remember your father, for me everytime I work on a Old Car I think of my Dad.

Also I was thinking it might be fun to create a "Members current Project list" which could be updated every month. Let me know if this would be of interest! I will also update the membership on the results of our May 23 Board Meeting. So if you have any ideas for speakers or tour locations, please let the board know!
See You at the June Meeting!

Ernie Baily

CHAPTER 40 -- SAN FERNANDO VALLEY V-8'S CLUB MONTHLY MEETING MINUTES FOR

May 7, 2019 Minutes of Valley V8's Club

CALL TO ORDER: President Ernie Baily began meeting at 7:00 pm with Pledge of Allegiance.

Ernie wished all the present ladies a Happy Mothers Day and presented each a beautiful flower cupcake! We thank you Diane Baily for your delicious handiwork.
