Chuck —

This newsletter will
be a combined Drivelines
for July and August.

Could you please make
sure that the covers
are "stamped" JULY-AUG,
so none of the members
expect a Drivelines in August?

Thanks,

July-August 1987

Summers here! It just doesn't seem possible that the year is already half over. Along with summer we are going to have several changes to our traditional First Sunday of the month meeting night. First, since the Bend Oregon Western National Meet will be held the first week of August and many of our members (including the prez, V.P. and secretary) will be attending the meet, we will not have a monthly meeting in August. Second, for the September meeting, we will follow the time honored tradition of having a pizza night and car show in lieu of the monthly meeting. Gerry Blackwell will be coordinating that evening with John & Bonnie Busk and you will be receiving more information on it later. So — our July 5th meeting will be our last meeting at Mercury Savings until October and this copy of the Drive Lines will be for July and August.

Pat Berry and I visited the Southern Calif. Regional Group's monthly meeting on June 14th in Buena Park. They had a good turnout and we saw many familiar faces. Their club is currently busy preparing for the All Ford Picnic at La Palma Park, in Anaheim on October 4th. Also at the regional meet

in August they are going to bid on hosting the western Regional Meet for 1989. We offered the club's support, if they are successful with their bid for '89. They are looking forward to meeting with us in the fall, for the brunch tour that Dave Sanborn will be coordinating with Joe Scalin from their club and representatives from Ventura and Mt. Baldy regions.

Win Burkhardt, one of the founders and currently in charge of Public Relations for the Association of California Car Clubs, (ACCC) will be the guest speaker at our meeting on July 5th. Our club is a member of the ACCC and Win will give us a backround on the organization as well as an update on the recent conference held in Sacramento.

Pat Berry is busy making final plans for our chili cookout at Wheeler Springs on July 11th. Pat will have all the information for us at our July meeting. If you're planning on going to Wheeler Springs but will not be at the meeting, call Pat, or Gerry Blackwell for details.

See you on July 5th —

Remember no meeting or "Drive Lines" in Aug.

By now you should have received your '87 Roster. Give Terry Smith a call if you have any changes of corrections. - A big thanks goes to Terry, Paul Kirk and Chuck Mair for updating, compiling and seeing that the roster was printed and mailed. Hey V'8 People...

Hopefully we will have a fill-in for our 40 Ford day meet to La Palma park. The tour will leave from Balboa Park.

July 11, 1987 will be our first (I don't know about annual) Pat Berry chili cook off at Wheeler Springs. Chili, punch and utensils furnished.

We will leave Balboa Park @ 10:00 Pick up group at Dupars @ 10:30 and then pick-up the tail end of the group at Santanios Pizza @ 11:30

Last meeting we had a video on Henry Ford, Thanks to Pat Berry for setting up the equipment.

The roster is getting updated so any corrections should go to Terry Smith.

There will be no meeting in August due to the national meet in Bend, Ore. The Blackwells will be there. My dads 1936 roadster is coming right along on schedule, Talk about a beautiful car... She's a LOOKER!!!!!!!!!!!!

FREE FIREWOOD compliments of Don Dupree and the Bothwell collection.

Larry Darr not present to collect the draw, the pot is up to \$25.00. You must wear your badge to collect and be on time to the meeting, I guess that leaves you out PAUL MONTOYA. HI TIFFANY!!!!!!!!

We did'nt have a raffle last month, hope your amongst the living.

Your doting secretary is off to Oregon to frolic in the 110° heat. What Fun!!

See you all in September at pizza night.

INSURANCE

As an official Regional Group of the Early Ford V8 Club of America, you are covered under a blanket insurance policy carried by the National organization. What follows is an outline of the Club's current insurance policy.

It should be noted that the By-Laws of the National constitution requires all chapter members to be members of the Early Ford V8 National Organization.

WHERE

Members are covered in all locations in the United States of America, its territories, possessions or Canada. At this time, foreign chapters are not covered under the National policy. They should seek local coverage in their respective nations.

WHO IS INSURED

All members, officers and directors with respect to their liability while performing any activities on behalf of the club. This also means those acting on behalf of regions and chapters.

Activities do not have to be "officially" authorized.

Regional group officials are included as are national. It is not necessary for domestic chapters to carry separate public liability insurance.

WHAT THEY AND THE CLUB ARE INSURED FOR

They are insured for occurrences that may happen on any club property which is rented, leased or used by the club for activities which the club may participate in. This includes but is not limited to meetings, dances, tours, picnics, flea markets, banquets, shows, shopping centers, also offices used by the club.

All free meeting places are covered. The important factor is that the meeting place cannot be owned by the organization.

PRODUCTS LIABILITY of the club, which includes dispensing of food at these events or selling or giving away products such as articles of clothing, jewelry, toys, etc.

PERSONAL INJURY LIABILITY arising out of an offense such as libel, slander or defamation of character by an officer, director or member while acting on behalf of the club.

NON-OWNERSHIP AUTOMOBILE LIABILITY which means if someone is using his own automobile whether antique or modern for club activities and he is involved in an accident, the company will pay up to the limits of the policy or defend the club and all members involved in the occurrence as excess coverage over any other valid and collectible insurance.

FIRE LEGAL LIABILITY which protects the club up to \$100,000 on buildings being used but not owned by the club for activities such as meetings, banquets, dances, office work, etc.

ADVERTISING OFFENSES LIABILITY that protects the club, its regional groups and chapters for all the magazines published by the clubs for libelous statements made in these magazines.

HOST LIQUOR LAW LIABILITY that protects the club if someone gets intoxicated at a club event from serving or giving alcoholic beverages and the person injures someone in his car or otherwise. This could be a member or guest who becomes intoxicated after being served at a club function and causes an accident.

Liquor law liability is somewhat more complex due to varying and frequent judicial decisions and jurisdictions. The coverage, as presently written, would cover this provided that the Regional group/chapter does NOT engage in liquor SALES.

CONTRACTUAL LIABILITY that means if the club rents an area, such as for a show, they will assume the liability of the people they rent from and the insurance company will automatically protect the club from any liability. It is common practice to pass off liability to the people renting or using other people's property.

NON-OWNED WATERCRAFT LIABILITY that protects the club from any suits that are brought as a result of any accidents that occur during an event when they hire a boat for outings (under 26 feet in length). For watercraft over 26 feet in length, the event chairman should contact the National Club's insurance representative in advance of hiring so he can arrange the carrier extend coverage for it.

CERTIFICATE OF INSURANCE - Often a Certificate of Insurance will be required from a Regional group/Chapter when participating in an event in a public or private place. If such a certificate is required, contact the Club's Insurance representative well in advance of the event so such a certificate can be issued.

The club may participate in any activity which a club usually does whether it is a commercial enterprise for a fee like charging admission to enter a flea market or show or whether it is free.

If there is going to be a grandstand involved, the company should be notified ahead of time so they can make a proper inspection.

When Regions or chapters, in order to raise money, organize a group of antique cars to give people rides and charge a fee, we will protect the club but NOT the individual who owns the car. There is a definite exclusion on the car policy when a fee is charged. This practice should be completely discouraged.

Events such as parades sponsored or alleged to be sponsored by the club are covered for liability both BODILY INJURY and PROPERTY DAMAGE. If in a parade, tour, etc., a car is involved in an accident and someone is injured, the attorney for the injured party will bring suit against all parties involved. The insurance club will defend "The Club" and pay whatever the judgement amount may be up to the policy limits.

One could use many examples, however it is clear that activities which the club generally participates in will ordinarily be covered for liability. Any questions should be brought forward and directed to:

This brief summary may bring up additional questions as there are surely those that cannot be answered here.

Mr. Breuer's office will be pleased to reply to further questions. You should not consider this brief review as a complete description of the National Early Ford V8 Club's insurance policy.

This summary has been an attempt to outline answering questions most frequently asked in simple non-legal words. However, a narrative description can never replace the policy itself and the actual policy language will govern the scope and limits of coverage involved.

Dear V-8'ers:

Welcome to the beautiful Pacific Northwest and home of the Western National Meet in Bend, Oregon August 3-8, 1987.

On your way to Bend you are cordially invited to attend the "All Ford Picnic" on Sunday August 2, 1987 at Champoeg State Park, hosted by the Mid-Willamette Regional Group.

Cost to enter Champoeg is \$1.00 per car. The picnic is \$2.00 per car and you will receive a dash plaque. Each V-8'er furnishes their own picnic lunch.

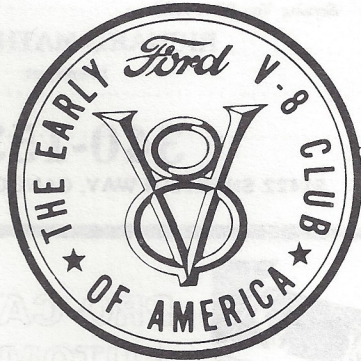

When you enter the park and pay your \$1.00 at the entrance booth, stay to the right. The picnic is held in the Oak Grove Day use area.

If you have any further questions about places to visit, motels or mileage, please feel free to contact us.

Happy V-8'ing!
