PRESIDENT'S MESSAGE

I am sure that everyone present at the June Meeting enjoyed the program furnished by Jack Miles. Jack brought a Mr. Hervey Harcourt III, a lawyer from South Pasadena who spoke to us regarding the basic estate planning strategies which included a comparison of the living trust for an estate tool as compared to the traditional "will" which requires probate. Mr. Harcourt's remarks, in my opinion, were informative, though provoking and very well presented. I appreciate Jack bringing this creative program to the Club.

Additional recognition and thanks as a result of the June meeting must go to Mrs. Lin Kemmerer for bringing some very fine refreshments which disappeared almost as soon as she placed them on the table. The brownies must have been favored because they disappeared before I could manage one for myself.

And we want to thank all of the ladies for their attendance this time. It is always a pleasure to see our club ladies bringing both their refinement and support to the club functions. Please come back again! We do have in the back of our minds, an idea to develop a "Ladies Night" around a program

which might interest the girls. At this point, it is only a vague idea but if there is enough interest, we will press on and make it a reality.

I am pleased about the way our programs for the balance of the year have developed. July will be a relaxed, informal meeting with Dave Sanborn showing old car pictures. Don Durkee will take the August slot and discuss "cost analysis for paint work, Don Dupree will discuss mechanical brakes at the September meeting and Jerry Jensen will speak to us about paint and restoration techniques at the October meeting. All of these men are highly regarded V-8 people and it will be a pleasure to have them speak to our club.

As I have mentioned before, our club is fortunate in having a very large number of exceptionally competent men who have a tremendous background in Ford circles and of equal importance, are willing to share this knowledge with the club. I will save my farewell speech for the December party but I do want to again take this moment to thank those who participated in the programs during the first six months and to those who are going to contribute to our programs for the balance of the year. The November program will be kept open in case we do in fact decide to have a Ladies Night.

ACTIVITY DATES
The car show at the Woodland Hills Hospital was a very nice affair. Jerry Jensen won the first prize in the Ford Group and will make a special report on this outing. It sounds like a program which we will want to make a special effort to make a good showing if we are invited again next year.

We are also working on a combined tour with the Model "T", Model "A" groups to be held on August 21st. Pat Berry has been working on this and will also have a special write up for this month's Drivelines. We will follow up in August with a flyer and map. We are also working with Dave Sanborn who will arrange again this year the very successful Pasadena Brunch. This will occur probably in September and will, as in the past, include all of the Southern California Ford groups.

We need to have an Officer's Meeting beginning at 7:00 P.M. with the formal meeting to begin at 7:30 P.M.

MOTION PICTURE COUNTRY HOUSE CAR SHOW

The fourth annual Motion Picture Country House car show took place on a beautiful sunny Saturday, June 11, 1988. The participants were from the Walter P. Chrysler Club, the Lincoln Continental Club, the Packard Club; and the Early Ford V-8 Club. The car show was not open to the public; but was strictly for the residents of the Motion Picture Country House and Hospital. The complex consists of a multitude of nicely maintained bungalows situated in lush green manicured grounds.

After the participants registered in the morning, they were treated to complimentary coffee, juice, doughnuts and sweet rolls. The car show was a drive by, where the residents of the Country House were gathered at the base of a low knoll. All of the cars widely spaced, drove very slowly down a curving road to be viewed by the residents; while organizer and master of ceremonies Calvin Beauregard described each vehicle.

After a delicious bar-b-que lunch served under a large canopy, Master of Ceremonies Calvin Beauregard presented 1st, 2nd, and 3rd place trophies to members of each club. The judges were selected from residents of the Country House; and their selections for trophies was based on what appealed to them rather than merit of authenticity or quality. It seems the judges liked 34 Ford Cabriolets, as Don Dupree was awarded a 3rd place and Chuck Shubb a second. Jerry Jensen received the first place award for his 39 Ford Convertible Sedan.

Well Ted and Ruby Martin were not present to collect the pot of \$45.00 now up to \$50.00

Our June program was Harcourt Hervey 111, Attorney at Law, Topic Probate, A Special THANKS to Jack Miles for getting this speaker.

Our meeting was small and kind of quiet this month, that is until I showed up to stir everyone up!!!!!!

We should have a new edition to our club very soon, The Montroy's are expecting a little baby. We also are losing them in a few months WHAT A SHAME, Let's make their last months really enjoyable ones.

Well Pat Berry is finally gone, Hope everything is going good for him, enclosed is his address so everyone can visit him.
