From The President

Hello Everyone,

I hope all is well with everyone, I hope you all have a opportunity to get the Covid 19 vaccination. My wife and I have been staying at home for a very long time. I hope to be able to get out and about after our second shot.

I am starting to plan a "Photo Op" tour for the club. I'm thinking about going out through Moorpark and then going up to Fillmore to get some photo s in the old Town area. From there going through Santa Paula and the going up to Ojai for a picnic lunch and some nice scenic locations for some more photo ops. After that head down and around to the Camarillo Airport to maybe get some pictures our our cars around some vintage Airplanes at the Commemorative Air Force Museum now that Museums have opened up. We are considering doing the tour as a joint event with the Ventura V8 Club. We will get a flyer out once the date is set.

As far as me working on my projects go, I haven't worked on my brothers Studebakers due to not being able to go to there locations. However I have been busy working on my 55 Dodge changing the timing chain, along with fixing/correcting some things as well. I'm just about finished with that, just some fine tuning yet to do. On my 48 Plymouth I had to get a new Battery as the 2yr battery gave out after 4 years(I guess things don't last forever). I decided to try the Optima Battery due to the fact that it has a 850 cranking amp rateing and I had a case that the Optima battery sets in to make it look like a conventional battery..

Well, I guess that all for now! Everybody stay safe!

Prez Ernie
