From The President

Well Hello Everyone,

Happy New Year! Hope every one had a Merry Xmas! Mine was pretty good. My Niece and her kids (on my wifes side) were not able to come over and do a Christmas celebration due to the fact that my Great Nephew came down with Covid. So we are going to leave some of the Xmas decorations up for a belated Xmas later. Also on a good note, I had the opportunity to drive Santa to a local neighborhood event supporting the Royal High School Choir. So I dressed up my 48 Plymouth and drove him on Dec 17th Friday evening. I had my Niece Laura and my Great Niece Gabriella ride with us, it was great fun!

Due to the rain I didn't get much time to works on my brothers Studebakers and Packard, but I was able to replace the vent window handle and repair the exhaust tip that had blew off when I was attempting to start it one morning. Opps!

I'm hoping to come up with tour Ideas as well as Speaker ideas. So if you have any ideas please send them to me. I'm still planning on having a board meeting some time in January to kick off the new years planning.

After some considerable debate I have decided that we should cancel the Jan meeting. It seems that the news reports suggest that surge will be short lived. So rather than making a long term decision, I decided to just cancel this month meeting and remain open in regards to next month meeting.

Hope to see you all at our next live meeting!

Prez Ernie

I would like to add to my president message a comment about our clubs Membership renewal. Please send in your renewal for both the National and our Regional membership at your earliest convenience. I'm attaching the new National Club membership form witch includes their new Digital option.

Dear Friend and Early V-8 Ford Enthusiast,

The countdown to our annual Scottsdale Auction is now on, and the Worldwide Auctioneers team is gearing up for another great event in the desert during Arizona Car Week. We are excited to be offering one of the most detailed and correct early Ford V-8 collections to come to market as a highlight of this year's sale, with 35 great cars from The Ron Thorne Collection slated to go under the hammer, completely without reserve.

As fellow enthusiasts, we want to personally invite you to the Scottsdale Auction this January 26th. **We're pleased to waive our standard \$150 fee and offer Early Ford V-8 Club of America members free bidder registration** (use code "FORD22" at checkout) to take full advantage of this rare opportunity to acquire some great curated examples of the marque.

Highlights in the no-reserve Ron Thorne Collection include a very desirable 1932 Ford Deluxe Roadster that completed the Great American Race in 1985, being 1 of 6,893 produced, a two-time Dearborn Award-winning 1948 Mercury Convertible with less than 1,000 miles since its ground-up restoration, and a 1933 Ford Three-Window Coupe, another recipient of a frame-off restoration. Full details on the collection are available at www.WorldwideAuctioneers.com.

Bidding options are available to suit all comfort levels, including live, online, by phone, or absentee. Club members can take advantage of free bidder registration with code "FORD22" at checkout; register to bid by visiting www.WordwideAuctioneers.com or calling us at (260) 925-6789.

The Scottsdale Auction takes place on Wednesday, January 26th at 5 PM at Singh Meadows (1490 E Weber Dr, Tempe, AZ 85281). We look forward to seeing you soon!
