# From The President

Hello Everyone,

Well here we are its December were are almost done with another year. We had a great Paradise Cove tour, I wish more of you could have attended. Our next event is our Holiday / Xmas luncheon, so I hope to see you all there.

I know you all have been busy preparing for the holidays. My wife and I are planning a big Thanksgiving! with both side of the family. Our house will be jam packed, I never realized how much Holiday decor I had to set up! I haven't had much time to work on my brothers Packard and Golden Hawk. The only thing was to switch around the cars and put the Packard in the garage and jack it up. We did receive the new oil pump kit for it so now I hope to find some time in the first two weeks of December to work on it. As far as the Golden Hawk goes, I had a problem when I ran out gas when the gauge said half full, so I guess its not fixed yet!

***A reminder to get your 2023 dues in and also to send Jim your request for the Holiday/Xmas ticket too!***

That is all I can think of, So if I don't see you at the Holiday Xmas Luncheon, Have a great Thanksgiving and a Merry Christmas and Happy New Year!

Prez Ernie

---

## Chapter 40 -- San Fernando Valley V-8 Club Monthly Meeting Minutes for Tuesday Nov. 1

### *7:00 pm Meeting called to order*

President Ernie Baily launched the meeting, opened with Pledge of Allegiance.

***Opening Comments:*** Ernie reminded us of the upcoming Veterans's Day, Friday November 11.

**Jim Ellerbrock** shared information about our upcoming Holiday Brunch: It will be held on December 11, same place as last year: **Woodland Hills Country Club**. We'll have the Sugar Sisters there to perform their vintage vocal harmony. Jim is still accepting checks for the Event. Price for members and spouses: \$35 each. Guests: \$40 each. Alcoholic drinks are not available from the restaurant. However you can bring your own drinks if you wish. Just be reminded that there's a 'corking' fee. ***IMPORTANT:*** Remember to bring unwrapped gift toys for kids and gifts for mothers: These gifts will be donated to Haven Hills Center for homeless and at-risk women and children.

### ***Announcements from our President:***

1) Annual Club membership fees are due: For both our local Chapter, San Fernando Valley V-8 Club, and our parent organization, the Early Ford V-8 Club of America. Remember: For insurance reasons, we need to be members of not only our local Chapter club but also members of the Early Ford V-8 Club of America. For convenience, members who would like to renew membership or individuals who would like to join the San Fernando Valley V-8 may use the 2023 Membership Application and Renewal Form. You'll find this in the latest issue of Driveline Newsletter. To renew membership or join our 'parent' organization the 'Early Ford V-8 Club of America', you can go online: <http://www.earlyfordv8.org>

2). Paradise Cove Cruise: This was a most outstanding event: Thank you Scott Doudrick for arranging it: We met at Woodley Park, then cruised as a group down the scenic Las Virgenes highway.

3). November 6: Model A Swap Meet and Car Show 9 am, Rancho San Antonio Boys Town, Chatsworth.

***Program for the Evening Part One:*** Ernie introduced Jerry Case, our first 'impromptu' Speaker for the evening. Jerry and his girlfriend Maxine just returned from a 6,000 mile trip to the Midwest. Jerry grew up in Texas, and Maxine grew up in Indiana. They had a great time visiting family and friend, also neighborhoods where they grew up. One of the highlights was a visit to the Early Ford V-8 Foundation and Museum in Auburn, Indiana. Jerry and Maxine had a 'field day' viewing the vintage Fords and early V-8 displays. They met the fellow in charge of maintaining and moving cars, who provided some very interesting 'insiders' information. One of the most amazing cars on display was the all stainless steel 1936 Ford tudor. A little 'sidenote': The Foundation is separate from the Early Ford V-8 Club of America because of philosophical differences, as explained by Steve Boskovich. Steve also mentioned that our late friend Don Durkee made some Burma Shave signs on display there.

**Chapter 40 -- San Fernando Valley V-8 Club**  
**Monthly Meeting Minutes for**  
**Tuesday Nov. 1**  
**Continued**

**Holidays coming up:** President Ernie announced the upcoming Simi Valley Christmas light tour.

**7:15 pm: Break called**

**7:30: Meeting Resumed**

**Car of the Month:** Three members brought vintage cars, so the Car-of-the-Month money was divided three ways.

**Reports from Officers:**

**Secretary:** Rex Jaramillo All is OK. The Board is still looking for a volunteer to fill the Club Secretary position. We have a most excellent group to work with, a lot of support and it's a fun job taking the Minutes. It's a great opportunity to work with an outstanding Board and get to know new people in the Club.

**Treasurer:** Joan Sapper -- all good.

**Membership:** Howard Brown -- Four past members are renewing their membership, good news, and welcome back!

**Ladies raffle** -- Bobbie Searl beautiful plants won by Joan Sapper & Sandy Norris.

**Name Badge:** Bypassed this month.

**Program for the Evening, Part Two:** President Ernie called on Club members to share what they had going on. **Howard Brown** was first up, describing his new car-toy: A month ago Howard received a phone call from a fellow in Torrance who had a Packard Hawk that he needed to 'get rid of'. The car was located in a driveway under a car cover. It had been painted many years prior, interior re-done, engine rebuilt, then left to sit for nine years. Howard looked it over, offered a price, which wasn't agreed upon, so he told the fellow he'd wait to hear from him. In the mean time, Howard dropped his cell phone, destroyed it, which meant losing the Hawk owner's phone number. Luckily for Howard, the guy called him back to a different phone, and within 30 minutes they had agreed upon a price. So Howard took possession of the Hawk. After getting it home and looking through numerous boxes that came with the car, he discovered that he has most of the parts needed to reassemble the car. After more inspection, Howard feels the car is about  $\frac{3}{4}$  finished. More background: There were only 588 Hawks made with this paint and interior combination, so Howard has a rare one. Fast forward a few days: Howard got the Hawk started, the transmission shifts, however there was a coolant leak: A freeze plug had popped out. And the story continues: Where does this wire go, etc, etc. Good luck Howard, it sounds like you've got a winner. **Second speaker – Ernie Baily:** Ernie took his brother's Studebaker out for a test drive, ran into a fuel problem, had it towed back home. And his brother's '56 Packard appears to have an oil pressure problem. So Ernie bought a 'retro-kit' to hopefully resolve the issue. **Steve Boskovich:** Steve and Sue had an interesting experience on the road: They had a blowout on their 5<sup>th</sup> wheel. Reason: Tire age. Most tire manufacturers recommend replacing aging tires every 6 to 10 years. Reason: The rubber cracks from age, not just on the outside but internally as well. For his '57 Ford, Steve bought new Coker tires, just to play it safe, good move.

**Stan Miller:** Stan hasn't had his '40 Ford out of the garage since 2019. He does start it once a month. The last time, Stan experienced a hard-start condition. He discovered gas coming out of the carburetor. Reason: stuck float. So he tapped the carburetor with a screwdriver handle, and the '40 started just fine. Stan is hoping to get that fine '40 out of the garage one of these days. **Vegas, here we come!** Howard Brown and Jim Ellerbrock will be traveling to Las Vegas to participate in the Mecum Auto Auction as drivers. Keep a lookout for them on TV.

**50/50:** Handled by Vasken Hagopian in Ken Sapper's absence. Ken was at the SEMA show representing his company 'Speedway Engineering'. The 50/50 pot was won by Chris Haynes. Thanks for filling in, Vasken, good job!

**8 pm: Meeting adjourned.**
