From The President

Hello Everybody,

I hope all is well! I think we are getting closer to having a real meeting soon. Hopefully everyone is going through with Covid 19 shot process as I got my 2nd shot just last Friday.

Well to start with I had a chance to talk with the Ventura V8 club President who is also trying to do some things to keep their club active as well as we are doing. The plan is to do a joint tour of the one I'm trying to put together, " The Valley V8 Photo Op Tour". The tentative plan is for our club is to meet at starting point and tour out to Fillmore for hopefully 2 locations (Fillmore Railroad museum & Fillmore Old Town). And from there tour to a Ventura Beach Location for Lunch and some Beach / Ocean shots. I hope to finalize this soon. I also found out that is advisable to notify the National club when we are doing a tour to allow us to potentially utilize the nationals Insurance in case of an accident.

Another thing I need to do is include the Birthday list which I have forgotten about, so first I would like to wish all the February birthday people a Happy Belated Birthday and wish a Happy Birthday to all the March Birthday People:

Phil Hall, March 5
Connie Hall, March 11
Nancy Wardel, March 12
Whitney Rydbeck, March 13
Paula Ewing, March 17
Ruth Mottern, March 18
Ed Warnock, March 18
Joe & Marsha Difatta, March 19 (Anniversary)
Dick Stones, March 25
Harry Baker, March 28

As far as my Old car projects go I finally finished my Timing Chain repair on My 55 Dodge and found other problems such as the the car runs lousy with problems being Vacuum related (Vacuum Advance unit and the Vacuum booster for the brakes leaking). I decided to replace the whole distributor which was a China remanufactured unit which turned out to have all kinds of brass shavings in it and a sloppy center shaft that it wouldn't run at all. So I took the new Vacuum advance off it and put it on my old distributor and solved the problem. I have finally have all my brothers cars running now, but I have to bleed the brakes again on the 56 Packard and change out the front wheel cylinders and master cylinder on the 58 Studebaker President. On the 56 Golden Hawk a repaired radiator and new hoses are done. So I hope by the end of the month to have them all running and drivable. Also we should have all the memberships up to date to allow us to print the Club Roster. Our own Jerry Littner and Howard Brown will print the roster and then get it in the Mail shortly their after. Contact Howard to see if you can get your Dues in time to be included in the roster

So with all this being said, So if you can, try to come by Earl Donuts on Thursday Mornings for "Steves Donut Run". I hope all of you have a great month!

Prez Ernie

Also, We have been in touch with the banquet hall that "WILL" at some point be the place that we will have Our Holiday party. We are planing to incorporate the party with a celebration of OUR 50 years as a club

I have had a few GOOD things going on this month, & I want to share
First off, On recommendation from Rex Jamamillo, I found the greatest Glass Guy, & He's Mobile. He came out to My house, Replaced the Drv, side window & Vent rubber. Took him about 45 min. & charged a very fair price. Hi s name is, **Bernie, 323-401-1961**. He knows his stuff....
Also, I am hooked in with the Simi Valley Coachmen. Thru them, I met a young lady the has been working with the "Make a wish" Org. They have done a couple of HUGE drive by's. Those of you that know Me, Know how I feel about giving back to kids
I don't do "endorsements" unless I believe in it
